CMO/OAA (only viewable with Internet Explorer ?)

Bill SHEEHAN in Japan from 22 April to 9 May 2004

22 April 2004: Bill SHEEHAN safely reached Japan and via the Kansai Airport arrived at the Fukuoka Airport and met by Masatsugu MINAMI and Tadashi ASADA. They stayed the night at Hakata.

Bill SHEEHAN and Masatsugu

23 April: After visiting *Mangyo-ji* and the *Kushida Shrine*(←) in Hakata, Bill moved to Nagasaki with Masatsugu, and made a courtesy call to the *Nagasaki City Hall*. They were also led to the *Nagasaki City Science Museum* by the Director KAKIMOTO, after visiting the *Siebolt Museum of Nagasaki* (→) which is located at Narutaki where Philipp Franz von SIEBOLT opened a medical school. Reception of Bill SHEEHAN was held in a restaurant near the St Paul Street (named after the St Paul City in Minnesota)

The film shown at the 2004 OAA Annual Convention was h

at the Nagasaki City

Bill and T MATSUMOTO

Science Museum, Bill

The following received three certificates of Commendation (originally in Japanese).

awarded an OAA

OAA Certificate of Commendation

Medall as Tom

We are pleased to honour your outstanding contribution to the observation of specular reflections on Mars. After studying long discarded observations made in the 1950s, you predicted with Thomas Dobbins that flares would be observable in Edom Promontorium in June 2001,

presented to
William P Sheehan, Esq
