Submit file preparation

- the main file is a valid AASTeX 5.x file named "ms.tex"
- the article is in preprint style with 12pt type: e.g, "`\documentclass[12pt,preprint]{aastex}`"
- the main file must be processed by latex with no errors or warnings (after the second processing) about unresolved cross-references
- all figures must be in Encapsulated PostScript (EPS) format and referenced with `\plotone` or `\plottwo` commands
- other secondary files (such as tables) must be referenced with `\input` commands
- no LaTeX by-products (such as `ms.dvi`, `ms.aux`, or `ms.ps`) should be included
- no style (`.sty`) or class (`.cls`) files should be included
- compress all files into archive.tgz **>tar czvf archive.tgz ms.tex *.eps**

Submit new MS

- <http://mss.uchicago.edu/ApJ/>
- **!!Safari can not use!!**
